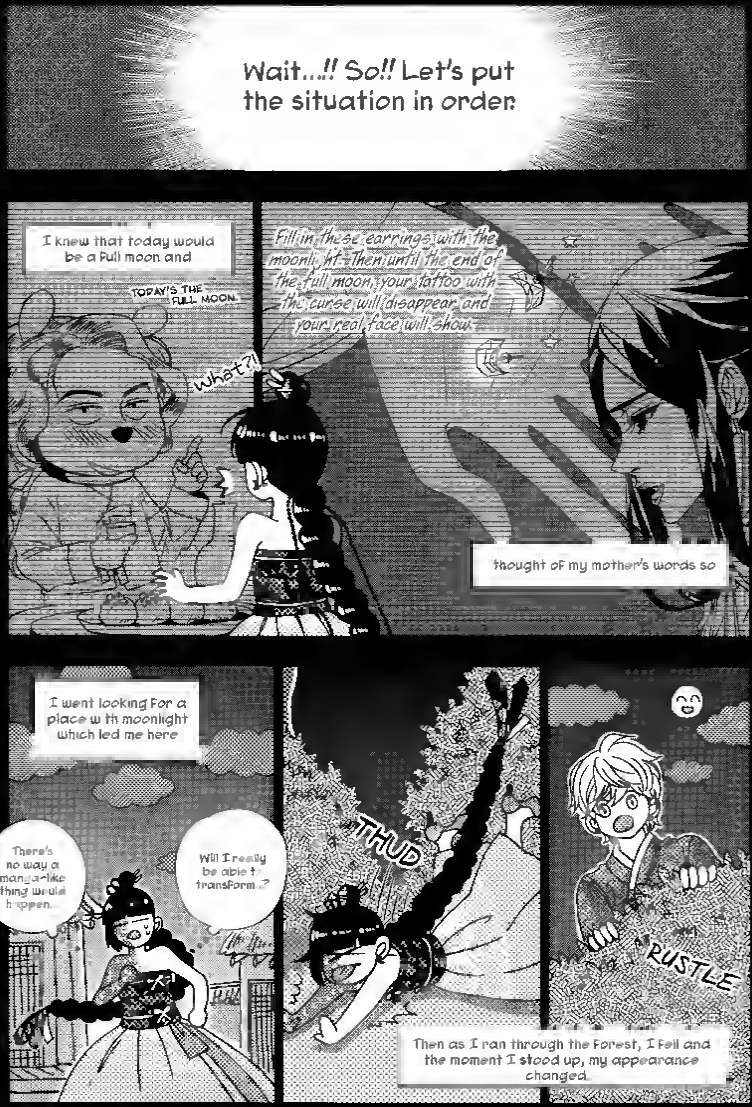
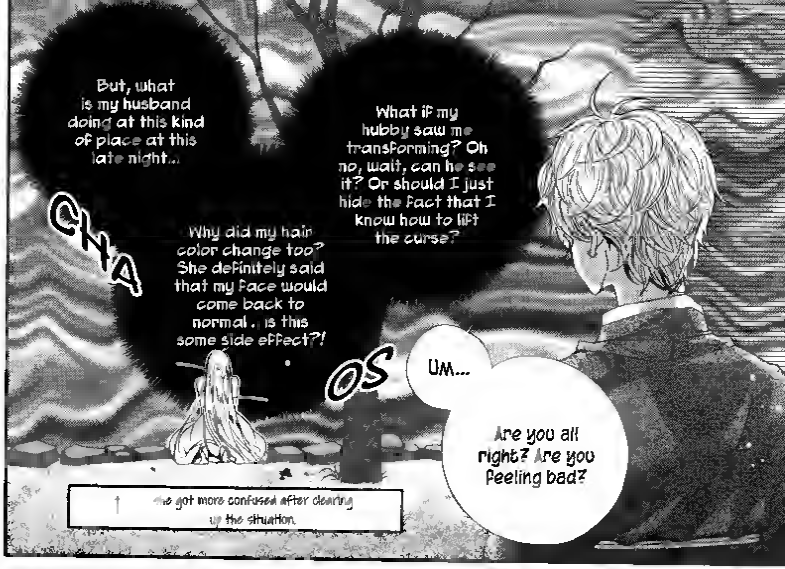
SWISH

Uwaaaaah...
Is this... me?
look at the hair color !



Wait...!! So!! Let's put the situation in order.
I knew that today would be a full moon and
TODAY'S THE FULL MOON.
What?!
Fill in these earrings with the moon's light then until the end of the full moon, your tattoo with the curse will disappear and your real face will show.
thought of my mother's words so
I went looking for a place with moonlight which led me here
There's no way a manga-like thing would happen.
Will I really be able to transform...?
THUD
RUSTLE
Then as I ran through the forest, I fell and the moment I stood up, my appearance changed.



But, what is my husband doing at this kind of place at this late night...
What if my hubby saw me transforming? Oh no, wait, can he see it? Or should I just hide the fact that I know how to lift the curse?
CHA
Why did my hair color change too? She definitely said that my face would come back to normal. Is this some side effect?!
OS
Um...
Are you all right? Are you feeling bad?
↑ She got more confused after clearing up the situation.

Anyway right now I don't have the tattoo and I'm not scary so husband won't avoid me right?
GLANCE
It's... it's a good night.
?
...It's... a good night...
?
eh?

STARTLED
Don't... you know me?

Well, I don't know...

So he doesn't know it's me.
Well, my appearance did change a lot...
Even my hair color...

But do you know me? If we've met somewhere or something...
I'm sorry, I don't remember
Ah... did I just crumble the cake?
This is a good chance to talk with my husband...

If I tell him that I'm Boreumi, he might leave... What do I do?!
Ah... um...
Basically... I am...

A no...moon shadow fairy!
Ekeke ☆
Even though we've never met, I'm always watching over all of you!
EY, WHATEVER!

Did you say... Fairy?
Yes.
Hmmm...?
I wonder where this cute lady came from?
You're not believing me! It's real! I'm a moon shadow F... Fairy!!
Even I wouldn't believe it! What's with the Fairy! I should've just said that I'm a normal villager!!
.....
sigh
change topics!!
Umm...!
what is husband... no, young master doing here at this lake at this time?

This,
is a place where I come whenever I have worries or when my heart is uneasy.
Ah...
Kyaa! Hubby's secret hideout! checked!
You seem to have worries.
Hmm...
I actually came here because I was terribly concerned about something, but...

Because of meeting Miss Fairy, I couldn't solve my concerns.
!!
Are you going to take responsibility?

Ah... well, I...
SWOOSH
Even though it's late summer, it's quite chilly at nights. Now stop taking walks and go back to your house.

That's it!

You got interrupted because of me so I can't just go home. You must share your worries!
If you're ok with me, I can hear you out.
Because I'm a Fairy, I don't go around spreading rumors!
concentrating on the role
